

## Data Warehouse: Delivery of predefined reports

Meeting: TCCG Location: ECB Date: 04 December 2018 Version: 1.0

## **Mail delivery**

It will be possible to receive reports via mail

- For security reason only the URL of the prepared report will be provided in the mail
- With this URL the receiver of the mail can open Cognos (presentation layer of Data Warehouse) and see the provided report on the respective screen in the GUI
- In addition, download of the report via GUI is possible and secured.
- More detailed information will be provided in the UDFS V 1.1

## Thank you for your attention

Meeting: TCCG Location: ECB Date: 04 December 2018 Version: 1.0
